Grand Knights Message

Mike Almeraz, Grand Knight

Holy Family - Pray for us.

Brothers I want to thank you for your TIME, TALENT and some of you donations to your council this past year. You have done much, a very full and busy schedule and it was done with a few Brothers. Just think what we could accomplish with 150 active brothers. I have tried to find out just what would the Council need to do to get our Brothers to come to a few meetings and to donate their time to a Council event. I have not been able to answer that. We need your input, WHAT WOULD IT TAKE!!! We want to hear from you, we need you. I hope it does not fall on blind eyes or deaf ears.

We are in our last months of the year for Priest please pray for our Priest and especially our Pope who is in need of all our prayers.

Our 1st principle (CHARITY) we need to remember our 1st degree and remember why we became a Knight. I ask that you each contribute your time, your talent and your monies to support our/your Knights of Columbus Council 3041 and remember that it is your council and only you can make it better.

Michael Almeraz

Insurance Agent's Report

Dear Brother Knights,

Buying life insurance is something that's easy to put off until tomorrow. And if your life is as busy as mine, tomorrow can easily become next week, next month, or even next year. I'd like to make a personal plea that you not make that mistake. Too many of us are doing that these days. Too many of us are saying, "I'm just being cautious right now." "I need to think about it."

One thing we can be certain of is the track record of the Knights of Columbus. Think about this.

#1: We are in the business of paying death benefits and dividends (2009 Dividends: \$318,000,000+ paid to KofC members). We do not have stockholders, so you can be assured that you are receiving the lion's share of our profits. Remember, Fr. McGivney had one goal. Help Catholic families financially!! That's why we're here.

#2: I don't know where to put my money! People have told me that they are considering putting their money under the mattress because the rates or return at the banks and credit unions are so low (i.e. less than 1% in most cases). The Knights of Columbus guarantees to GROW your money at 3%-4% tax-deferred *for life*. These are not teaser rates. How many other companies are holding the line when it comes to the rate you are guaranteed to receive for life?

#3: Don't forget our top-notch status in the financial industry!! The May 2010 issue of the Columbia focused on the benefits of our insurance program; where the rubber meets the road. Real stories from real Knights' families. Real world application of the Knights of Columbus insurance program. Real success and protection. The Knights of Columbus your shield for life!! Knights of Columbus Ratings: Standard & Poor's: AAA (Extremely Strong) 17 years consecutively / AM Best: A++ Superior 34 years consecutively
God bless you and your family. Call me today.
Fraternally,

Joel Clelland, Your Field Agent

Prizes and refreshments will be included and there is no cost for this event. I hope you and your loved ones can attend and you do not need to be a member of the Knights of Columbus.
